MM: Yo lo convenzo. I'll convince him.

AA: ¿Seguro? You sure?

MM: Ahora, Cristian sí tiene el instrumento pa' pasarlo, ¿no? Me imagino. Now, Cristian has the instrument to pass it through, right? I would think so.

AA: El me...no me dijo nada, pero yo me imagino que debe tenerlo. He...didn't tell me anything, but I would guess he should have it.

MM: El carajo, él se dedica a... The guy, he does that...

AA: Ah, es banquero, no sé. Oh, he's a banker, I don't know.

MM: [IA] banquero. [UI] banker.

MM: Yo...yo convenzo a Cristian, y si no...yo me encargo del peo. Ahora, el gobierno no va a transferir directo. I'll...I'll convince Cristian and if not...I'll take care of the thing. Now, the government is not going to make a direct transfer.

AA: Yo...yo no quiero...¡Por Dios! Que usen a...a Julio Sosa Rodriguez. I...I don't want...My God! Have them use...Julio Sosa Rodriguez.

MM: Sí, yo me alegré cuando... Yes, I was happy to hear that...

AA: ¿No? No?

MM: Si, sino...digo, si no, ¿por qué estas metido tú en el pe'o? Porque mandaron una mierda en efectivo. Si fueran tan sofisticados...este...hubieran hecho de otra manera eso. No son así de sofisticados. Pero yo hago...sin que Cristian vaya, que reciba el dinero en la oficina. Yes, if not...I'm saying, if not, why are you wrapped up in this shit? Because they sent some shit in cash. If they were so sophisticated...uh...they would have done that a different way. They're not that sophisticated. But I'll do...without Cristian going, [I'll] have him accept the money at the office.

AA: Él me dijo que tenía miedo. Me dijo...lo dijo él. Que tenía mucho miedo. He told me he was afraid. He told me...he said it. That he was very afraid.

MM: Se lo llevo yo. Nadie va ir a llevárselo. Yo hablo con él. Déjame a Cristian. I'll take it to him. Nobody is going to take it to him. I'll talk to him. Leave Cristian to me.

AA: ¿Y, y el papel pa' yo...justificar los 800.000? And, and the document for me...to justify the 800,000?

MM: Ajá. El papel pa' justificar los 800.000, te lo van a dar. Uh-huh. The document to justify the 800,000, they're gonna to give it to you.

AA: ¿Quién me lo va a dar? Ellos. Who's gonna give it to me? They are?

MM: No. No.

MM: Una compañía. Yo vi...tres llamadas que hicieron. Llamaron a Pedro. A company. I saw...three calls they made. They called Pedro.

Venoco, porque es una empresa con la que siempre tú has tenido relación. it's a company with which you've always had a relationship.

AA: Claro, claro. Of course, of course.

MM: ¿Me entiendes? Entonces, a mí me dijo Rangel Silva, "Si no es de Venoco, se van a meter en un peo conmigo los de Venoco". Entonces, este...yo tengo la esperanza de que nos la entregue Venoco mañana o pasado, el lunes, pues, cuando yo esté allá. Si no es Venoco, va a ser...eh, dos empresas más con las que ellos hablaron también. Ni me sé el nombre pero contratistas de...de [IA] Pero eso también no vas a tener pe'o. Después...la carátula del contrato. You understand me? Then, Rangel Silva told me, "If it's not from Venoco, they're going to...I'll get it, but the guys from Venoco are gonna get into a bind with me." Then, uh...I have hopes that Venoco will deliver tomorrow or day after, on Monday, then, when I'm back over there. If it's not Venoco, it will be...uh, two companies with which they've also been speaking with. I don't even know the name but they are contractors from...from [UI] But, you're not gonna get shit from that either. After..the cover of the contract.

AA: Yo no lo he querido porque...porque lo que...Yo lo que no quería es que me lo jodieran. I haven't wanted to because...because what I...What I didn't want is for them to fuck it up for me.

MM: Okey, pero no te lo jodieron, está andando. Okay, but they didn't fuck it up, it's ongoing.

AA: Sí. Yes.

MM: Ah, feliz. ¿Y está a nombre tuyo...de una compañía tuya? ¿Y ellos lo saben? Ah, bueno...pero, entonces conserva la vaina. [IA] que bueno, huevón. No te afecta... Oh, great. - AA: No, no, no, no, si, si, si, o sea, eh...Es que no sé, o sea, me ha pasado...he aprendido en estos tres meses tanto...que estoy sorprendidísimo de todo. O sea de...el que yo pensaba que es mi amigo, no es, el que...¿qué te puedo decir? O sea, tú, tú... No, no, no, no, yeah, yeah, yeah, I mean, uh...It's just that I don't know, I mean, it has happened to me...I've learned so much in these three months...that I am extremely surprised at everything. I mean...the one I thought was my friend, turned out not to be...what can I say to you? I mean, you, you...
- MM: ¿Sabes quién habló maravillas de ti y, y...se ve que te conoce? No sé si es así o no. Eh...Ángel Morales. Do you know who spoke highly about you and, and...obviously knows you? I don't know if it is like that or not. Uh...Angel Morales.

- AA: Yo...le digo a Ángel, "el martes a las 5:30, el martes a las 5"...o sea yo, eh, en todo, mira, "voy a estar allá, voy a hacer tal cosa," yo he sido..."te devuelvo la llamada," o sea, eh, "te voy a..." Ha sido mi forma de ser, vale. A lo mejor hubiera sido un malandro, tú...hubiera, ser millonario. Yo fui el que ayudé a, a...sabes...a mucha gente. O sea, yo. Lo que pasa es que...él vive aquí con...con mis [IA], con mis cosas. Yo nunca pensé que me iba a pasar esta vaina. Y, coño, y Diego me mete en ese pe' o, me monta en esa mierda de avión, sin yo saber...tu dices, yo sé que hay plata y me monto en esa mierda, si yo no me monto en aviones de nadie. Nunca lo hice. - MM: Marica, es que, óyeme, no tienen cómo. Ellos no tienen cómo pagarte a ti. La única...manera en que Venezuela puede pagar algo con una cuenta de afuera es una transferencia abierta de [IA]. Y PDVSA no te va a transferir a ti, huevón, eso es, está clarí...ni a ti ni a ninguna instrucción que tú des.
- AA: Claro.
- MM: Y eso lo tienes que entender. Porque está...de calle. Porque eso, este, eh, eh, eh, es el...¿cómo se llama...?

- Dude, it’s just that, listen, they don’t have the means to do so. They have no way of paying you. The only...way Venezuela can pay something with an outside account would be with an open transfer from [UI] and PDVSA isn’t going to transfer to you, dude, that’s, it’s clea...for you or for any instructions you may give.
- Of course.
- And you have to understand that. Because it’s ...obvious. Because that, this, uh, uh, uh, is the...what’s it called?
- Of course.

- Yes, we are clear.

Seven hundred thirt...thirty-six thousand dollars, no, I mean, I paid, uh, three hundred seventy five thousand, sixty-thousand, but the seven hundred thirty fi...thirteen thousand, which is when you receive the money, I mean, you, me, you understand? I'm gonna pay you thirty for...an estimate. You pay thirty, you're gonna pay a little less, but...your, you estimate that it's thirty and [UI] and it's really thirty-four, but you...you have good faith and you pay them in the ninety days of you...of...of earning your money. And you, you fill, you fill out the forms, right? And you send them. When you do your *taxes*, if you have any left over, they send you, if not, they don't. But, now they sent me a thing that has the...that's this...Look, this is...*through year 2007*...

que tiene la...que esta es...Mira, esto es...*through Year 2007...*

MM: Me imagino que cuando te llegó el sobre, te cagaste. You must've shit your pants when you received the envelope.

AA: Coño, chamo, te lo juro que...Mira, yo no lo quería ni abrir. Damn, dude, I swear that I...Look, I didn't even want to open it.

MM: [Ríe]. [Laughs].

AA: Yo no estaba. Yo, eh... Estaba en mi casa. Y yo, llegó y me, y me dijo mi esposa. Yo temblaba. Fué la, la peor, tú sabes, como, te espera un papel de esos, como que espera la tarjeta de un...federal. Entonces, se lo doy a mi contadora, porque, coño, o sea, no puede ser que, yo tenga que pagar...encima que pagué un millón, que pueda pagar ochenta y nueve mil dólares de...todavía más porque, según ellos veinticuatro mil dejé de pagar, que es la penalidad. Porque, según ellos...del 11/15 pa'acá...No. No sé cómo sacan ellos pero es el, es el punto cincuenta [.50] a ver, a que esto se debía pagar un mes antes, unos días antes. O sea por unos días me tengo...esos veinticuatro crecieron...a ochenta y nueve. Puta, pagué un millón de dólares de impuestos. Y mi empresa pagó setecientos y algo, pero entonces tú puedes, tú sabes, darle más vuelta a la cosa. ¡Coño! Entonces, o sea, Venezuela, lógico, no entiende, como tú dices, son unos, unos, unos, unos carreteros. [Ruido nasal]. Entonces si, si no hacemos todo esto porque desgraciadamente, o gracias a Dios, yo vivo aquí. Si no hacemos bien, yo tengo un papel y yo confío en ti y ya. Ya, es confianza. ¿Qué pasó? Me jodiste. Pero I wasn't there. I uh...I was at my home. And I, it arrived and, and my wife tells me. I was shaking. It was the, the worst, you know, like, one of those documents waiting for you, like a...fed's card awaits you. Then, I gave it to my accountant, because, damn, I mean, it can't possibly be that I have to pay it...in addition to having paid a million, to be able to pay eighty nine thousand dollars of...even more because, according to them I didn't pay twenty-four thousand, which is the penalty. Because according to them...from 11/15 to today...No. I don't know how they figure it out but it's the, it's point fifty [.50] let's see, supposedly this was to be paid a month prior, some days prior. In other words, because of a few days I have to...those twenty-four grew to...eighty-nine. Damn, I paid a million dollars in taxes. And my company paid seven hundred and change, but then you can, you know, skirt the issue. Damn it! So, I mean, Venezuela, logically, does not understand, like you say, they're, they're, they're, they're a bunch of hicks. [Nasal noise]. So, if, if we don't do all of this because, unfortunately, or thanks to God, I live here. If we don't do right by it, I have a document and I trust in you and that's it. Alright, it's trust. What happened? You screwed me. But it's not that you screwed me and I'm going to prison. I have the document, then, damn it, I'll go and pay my taxes. I mean, I prepare my, prepare my tax return, send the check...and, I

no es que me jodiste y voy preso. Yo tengo el papel, entonces, coño, voy y pago mis impuestos. O sea, hago mi, mi planilla, mando el cheque...y, a lo mejor no lo mando por el treinta, lo mando por el veinte, pero, hay la buena fé. ¿Me entiendes?

may not send thirty [percent], I'll send twenty, but, there's good faith. You understand me?

MM: No. Te entiendo, te entiendo, [IA]

No. I understand you, I understand you, [UI].

AA: Entonces, eh, eh...O sea, y, y yo todo, no... Yo nunca he mentido Moisés, ¿sabes? Ojalá... okey, se lo puedas explicar, eh...a...a Rangel. O sea... Yo, todo es con papel, sabes. Yo...no le invento un papel...yo... Mira, cuando yo estaba con Frank y Carlos que...y, y, si, si nos molestamos por esto, *so be it*. Chamo, yo a ellos...mira, y...y por Frank nunca...

Then, uh, uh...I mean, I, and everything, no...I've never lied, Moises, you know? I hope...okay...you could explain it to, uh...to...to Rangel. I mean...I, all like on paper, you know. I...I'm not making up a document...I...Look, when I was with Frank and Carlos who...and, and if, if we get upset over this, *so be it*. Dude, with them...look, and...and never ever over Frank...

MM: No, pero yo no quiero y yo creo que...ah, ah...yo siento que Frank es, de verdad, un amigo tuyo. [IA]

No, but I don't want to and I think that...uh, uh...I think that Frank is, really, a friend of yours. [UI].

UM: *Did you guys save room for coffee or capuccino?*

Did you guys save room for coffee or capuccino?

AA: ¿Sí? Habla...

Yeah. Speaks...

MM: Como habla.

The way he speaks.

AA: No, y yo no, yo no he hablado mal de él ni mucho menos. Yo lo que no he podido entender es como él...él creé que m...que me dejara morir.

No, and I didn't, I have not talked bad about him or anything of the sort. What I haven't been able to understand is how he...he thinks...he thinks that I could let myself die.

AA: Este...Es que yo también lo fui, Moisés. Mira, yo lo, yo lo, yo lo he sido, o sea, eh, yo lo he sido con él y con todo el mundo. Te puedo decir Ángel Morales que es un amigo mío nuevo, Ángel Morales es un amigo mío de dos años... This...It's just that I was that way too, Moises. Look, I did, I did, I have been that [person], I mean, uh, I've been that way with him and with everybody else. I can tell you that Angel Morales is a new friend of mine, Angel Morales is a friend for the past two years...

MM: ¿Quién? Who?

AA: Ángel Morales, pues. Yo sigo, yo con todo el...yo que he...quien he conocido, ha sido, mira...Mira, [IA]. Angel Morales. I've continued, I've gone on with everyone...I have...whom I've met, has been, look...Look, [UI].

MM: Y a mí me gustó mucho esa reunión porque todas esas cosas las dijo él...delante de Rangel. Lo que pasa es que, mira. Los mitos y leyendas del chavismo son arrechísimos, ¿no? Entonces, los mitos y leyendas tejidos alrededor de Franklin y de, y de Carlos son arrechísimos. Arrechísimos. Tú lo sabes. A lo mejor tú estabas dentro del círculo y no los interpretabas así. Pero todos los que le tenían envidia, los que no hicieron los negocios que ellos pudieron hacer, los que medio compitieron o...hablan huevonadas desde que, se manejaban con extorsión, con...con la antigua DISIP para...eh... And I really liked that meeting because all of the things he said...while Rangel was present. The thing is that, look. The legends and myths surrounding Chavism are huge, right? Then, the legends and myths built around Franklin and around, around Carlos are huge. Huge. You know that. Perhaps you were within the inner circle and you weren't able to interpret it that way. But all of those who were envious, the ones who were unable to carry out the business deals the others were able to do, the ones who half way competed or...they talk shit from then on, they handled things through extortion, with...with the former DISIP for...uh...

Extorsion.

MM: Sí, pa' hacer negocios que les favorecieran. Eh, la actitud de Carlos, que fué defenderse del pe'o de...de...defenderse, no. Eh, fué una reacción justificada por una jodida que le echaron los de, los de *BancPlus*, este, fué interpretada como, como la vaina al revés que hizo eso pa' tratar de quedarse con el banco.

Yes, to make business deals that would favor them. Uh, Carlos' attitude, which was to defend himself from the mess to...to...defend himself, no. Uh, it was a justified reaction to a fucking stab from the guys at, at *Banc Plus*, uh, it was interpreted as, as the reverse action he pulled in order to try to gain control of the bank.

Empezaron a hablar gente...este, de que tú eras del grupo, que la vaina, que el socio...que [IA]. ...he has, he...he is...connected. Well, that's how Pedro is, you see. AA: Que tenía carnet de la DISIP. That I had credentials from DISIP.

AA: Y que tenía carnet en la DISIP, decía un *blog*. And also that I had credentials from DISIP, according to a *blog*.

MM: ¿Sí? Yeah?

AA: Sí, sí. Yes, yes.

MM: Y todas esas...y todas esas mariqueras. Entonces, me gustó mucho que Ángel diera todo eso, emitiera todo esos conceptos...que no mucha gente dice... And all of those things...and all that shit. So, I was very pleased when Angel said all of those things, delivered all of those messages...that not many people would mention...

AA: De mí. About me.

MM: ...y de Carlos. Pero, entonces, eso ya marca una diferencia entre la opinión que...de, de, del, de ellos tienen estos carajos y de que tienes tú, pues. En ese caso, me gustó mucho toda esa aclaratoria. Entonces, de hecho, él me dijo, este...“Pregúntale por mí, pero...yo no sé que concepto tiene él de mí”, me dice Angel. ¿No?

AA: Ah, yo, yo ¿de Angel? ¿Yo? Bien.

MM: Pero, él no sabía si tú estabas bravo con él o molesto...

AA: No, no.

MM: ...o vaina, ¿no? Entonces, "Pregúntale, pregúntale, asoma mi nombre pero sin decirle que, que..."

AA: No, ¿cómo voy a estar molesto con él?

MM: Que si yo estoy de por medio, no, pero yo no sé si yo te hablé clarito de con quién me reuní, con quien no me reuní." Eh, ¿qué más me dijo?

AA: Lógico, yo una vez lo...

MM: Me dijo que...

AA: ...porque soy amigo. Yo tengo que decirte las cosas a la cara.

MM: Me...me...me dijo que una vez tratando...¡Ah!...me dijo que una vez, tratando de hablar contigo por teléfono, en clave, trató de decirte que...que confiaras en mí. Yo no sab...yo no lo conocía a él pero [IA]

...and about Carlos. But, then, that highlights the difference between the opinions that...of, of, from, that these guys have and that you have, you see. In that case, I greatly appreciated that clearing of the air. Then, in fact, he told me, uh...“Ask [him] about me, but...I don’t know what perception he has of me,” Angel tells me. Right?

Uh, me, me, about Angel? Me? Good.

But, he didn’t know if you were mad at him or upset...

No, no.

...or whatever, right? So, “Ask him, ask him, mention my name but without saying that, that...”

No, why would I be upset with him?

If I’m in the center of it, no, but I’m not sure if I made it clear about who I met with and who I did not meet with.” Uh, what else did he say?

Logically, once I...

Told me that...

...because I’m a friend...I have to say things to your face.

[He]...[he]...[he] told me once that while trying...Oh!...he told me that, while trying to talk to you over the telephone, in code, he tried to tell you to...to trust me. I didn’t know...I didn’t know him but [UI].

- AA: Sí me dijo eso. Pero yo... Yes, he told me that. But I...
- MM: Y resulta que, pa'que veas lo chiquito que es el mundo...que él te nombró a Nicola, me nombró a mí, y hasta que yo lo conocí que me senté con él en la reunión, él fue profesor de posgrado de Nicola y de mi esposa. And as it turns out, just to show you what a small world it is...he mentions Nicola, he mentions me, and when I did finally meet him and sat down with him at the meeting, turns out he was a professor of Nicola and of my wife's during their masters studies.
- AA: ¿Ángel Morales? Angel Morales?

Me meto en el hotel y pido una vaina, o sea, ah, vivo, te lo juro, sabes...Debe escribir un libro, pues. A como yo soy, si la gente te cuenta quien...sabes. Yo nunca fui show ni mucho menos, pero...la buena vida me gustaba, claro yo no soy un tipo de, este...ni disfrutar los amigos. Yo todos los viernes hacía algo en mi casa. - AA: Y, y, eso me ayudaba mucho a entrar. Yo, yo...yo te puedo decir que...mi negocio, mi negocio es tan grande...a mucha gente le molestaba. A estos [UI] muchachos les molestaba. Frank y Carlos, mi negocio no tiene corrupción, *brother*. ¿Sabes por qué? Por que yo aprendí, viéndolos a mucha gente como ellos, que es lo que pasaba. Y aprendí a pasar a la gente por encima sin que me vieran. Y pegué negocio. Uno de los más grandes, que hay en Venezuela, es...en ese sentido, y eso, yo sé que lo ha hecho mucha gente, pero, todo...

I was never a show or anything like that, but...I liked the good life, [UI] I'm not one of these guys, uh...enjoying friends. I always had something going on at my house on Fridays. I mean, and, and...under no circumstances, because uh, and I, I cooked and, I mean, that's me.
- No, but we're gonna...you're gonna do that again. And you'll go down to Venezuela and I'll have you over at my house and...
- And, and that helped me get in a lot. I, I...I can tell you that...my business, my business is so large...a lot of people didn't like it. [UI] these guys didn't like it. Frank and Carlos, my business is not corrupt, *brother*. Do you know why? Because I learned by watching them, lots of people like them, what was going on. And I learned to go over people without them seeing me. And my business took off. One of the largest, that exists in Venezuela, is...in that sense, and that, I know that many people have done it, but it all...

MM: No, Rangel sí cree en mí. Pero, el querido No, Rangel believes in me. But, dear Tarek... Tarek...

AA: Eso no es...ese es amigo de estos tipos. That's not...He's a friend of these guys.

MM: Ajá. Bueno, Tarek, decía ahí, "Sí, Moisés, es esto...porque todo el mundo quiere protagonismo". Mira, cuando yo llegué adonde Ángel Morales, empezó la reunión diciendo, "Una firma de abogados venezolanos no puede intermediar en el caso éste porque esto es muy delicado, que ra, que ta-ta, ta-ta," y yo lo dejé hablar. Me le quedé viendo así como te estoy viendo a ti. Entonces, yo le eché todo el cuento desde el principio. Otra vez, porque yo, yo me imagino que la reacción de Rafael de que no íbamos a usar a Guillermo venía dada por este criterio de Angel, de que una firma venezolana no podía mediar. Entonces, eso tiene que ser una firma americana, que contacte a un abogado de Argentina, y que el abogado de Argentina, eh, sea contactada pa'que el abogado de Argentina no sepa nada. Pero, ¿quién se come ese...? Dímelo. Eh, que no sepa nada que PDVSA está atrás o si no está atrás. Entonces yo le dije...óyeme lo que yo le dije a Angel, "Angel, estoy totalmente de acuerdo contigo, de hecho yo, a Guillermo Ledesma lo contraté a través de Ackermann [F], ah, Ackermann Center, ¿sí? y, eh, yo aparezco es como un amigo de él, de Alejandro...

Uh-huh. Alright. Tarek, said it there, "If Moises, this is why...because everyone wants to play a leading role." Look, when I arrived at Angel Morales', he opened the meeting by saying, "A law firm of Venezuelan attorneys cannot mediate in this case because of its delicate nature, that so and so and so and so," and I let him talk. I looked at him like I am looking at you now. So, I told him the story from the beginning. Again, because I, I think that Rafael's reaction regarding the fact that we weren't gonna use Guillermo was a decision made taking this criteria of Angel's into consideration; that a Venezuelan law firm could not mediate. Then it has to be a law firm in the United States who contacts an attorney from Argentina, and the attorney from Argentina, uh, be contacted so that the attorney from Argentina not know anything. But who's gonna believe that...? Tell me. Uh, someone who doesn't know PDVSA is behind it all or isn't behind it all. Then I said...listen to what I said to Angel, "Angel, I am completely in agreement with you, as a matter of fact, I hired Guillermo Ledesma through Ackermann [PH], uh, Ackermann Center, right? And, uh, the way I come across is as a friend of his, of Alejandro's...

AA: De [IA]... Of [UI]...

MM: A los efectos de él. Y, de hecho, el poder se va a firmar en esa firma, en ese despacho de abogados." As far as he's concerned. And, as a matter of fact, the power [of attorney] will be signed in that firm, in that law firm."

lo habían citado en fiscalía.

the prosecutor's office had asked him to come in.

AA: Claro.

Of course.

MM: Yo tengo una...yo tenía ganas de matarlo cuando me enteré que había sido por eso. Porque eso era algo totalmente irre...Tú sabes que cuando, cuando sale la vaina, cuando sale el pe'ó, óyeme, desde el, en fiscalía se abre una averiguación de...oficio, ¿no? Y tienen que...eh, tienen que abrir la averiguación porque ya todo el...tienen que seguir con la averiguación porque ya todo el mundo sabía, todo el mundo sabía donde estaba el expediente, que el fiscal lo tenía, todo el pe'ó, porque, ¿cómo funciona eso? Hay unas fiscalías de guardia, pa'contartelo.

I have a...I wanted to kill him when I found out it had been because of that. Because that was completely irre... You know when, when the shit comes out, when it gets aired out, listen, from the, an investigation is opened at the prosecutor's office...officially, right? And they have to...uh, they have to open the investigation because everyone already knew, everyone knew where the file was, that the prosecutor had it, all the shit, because, how does that work? There are prosecutors on call, I'll tell you the story.

AA: Uhm.

Uhm.

MM: Hay unas fiscalías de guardia. Sale el escándalo del avión venezolano y el fiscal que está de guardia, que son todos unos hijos de puta que quieren hacer negocios con la desgracia de los demás, dice, "Nada, si a mí me cae este, me hago millonario, ¿no?" Entonces ese fiscal de guardia abre una averiguación, este, de ahí, y manda la vaina pa' un tribunal de control y da, da...y entonces está abierta la averiguación. Cuando hablan con el Fiscal General, el Fiscal General de la República da declaración, "Ya está abierta una averiguación ante fiscalía, vamos a investigar los hechos..." y la vaina. Corrigiendo una primera declaración donde él había dicho que eso era problema de...con la justicia argentina. ¿Sí?

There are some prosecutors on call. The scandal of the Venezuelan plane comes to light and the on-call prosecutor, and they're all sons of bitches who want to profit at the expense of others, says, "So, if I get this one, I'll become a millionaire, right?" So, the on call prosecutor opens an inquiry, uh, from there, and sends the thing to a control court and gives, gives...and then the inquiry is open. When they talk to the Attorney General, the Attorney General of the country, makes the statement, "An inquiry is open at the prosecutor's office, we're gonna investigate the facts..." And stuff. Correcting a previous statement he made where he said it was a problem...having to do with the Argentinian justice system. Right?

- AA: Hm-mm. Uhm, hum.
- MM: Abren la averiguación, y tienen que citar a alguien. A uno solo. Y entonces cuando también no me avisaron a mí porque yo le hubiera avisado a Daniel. Pa' no citarte a ti, citan a Daniel. They open the inquiry, and they have to ask someone to appear. Only one person. And then when, they don't tell me because I would have told Daniel. In order to not ask you to appear, they ask Daniel to do so.
- AA: Y por... And for...
- MM: Para no citarte a ti, porque lo lógico era, si el pe'o es con Antonini, que a lo llamen a citar, lo citen pa' ver qué coño es lo que está pasando. In order to not ask you to appear, because the logical action would have been, if the deal is with Antonini, they call Antonini to appear and they ask him to appear to see what the hell's going on.
- AA: Ah, entonces a Daniel. Claro. Oh, then Daniel. Of course.
- MM: Pero, como tienen que citar a alguien, citan a Daniel que estaba ahí. Pero, pa'evitar, porque las instrucciones eran, no vayan a hacer nada en contra de Antonini, ni, nada...pa'que, porque estaban negociando contigo. But, since they have to summon someone to appear, they ask Daniel who was already there. But, in order to avoid, because the instructions were, don't do anything against Antonini, not even, nothing...what for, because they were negotiating with you.
- AA: ¿Esa es la instrucción que viene de arriba? Are those the instructions that came from above?
- MM: Esa es la instrucción que todavía hay de arriba. Eso es un hecho. En fiscalía nadie se va a meter con... Those are the instructions from above which are still in place. It's a fact. At the prosecutor's office, nobody's gonna get involved with...
- AA: Y ¿es verdad que el Presidente, eh...que Chávez dijo...eso, s...a él tiene que ayudarlo? O...o ¿fué nada mas...el Vice Presidente? And, is it true that the President, uh...that Chavez said...that, s...he has to be helped? Or...o, was it only...the Vice President?
- MM: No. No, no, no, no. Es verdad y, fué Rangel y todo el mundo. Todo el mundo. Todo el mundo. Ahora, Chávez piensa No. No, no, no, no. It's true and, it was Rangel and everyone. Everyone. Everyone. Now, Chavez believes this has been resolved already.

que esto está resuelto ya.

AA: Le han mentido una vez más.

They've lied to him once again.

MM: No, no es que le han mentido, si no, ¿cómo es Chávez? Chávez llega a donde Rang... ah, se...ve a Rangel. Primero que andan con los diez mil peos, de todos los peo's que genera Chávez. [Ríe]. Y, segundo dice, "Mira, ya te encargaste de...", "Sí, ya, ya me encargué de eso. Eso está..." Tú lo sabes. Pero, es que ¿qué van a decir, huevón? Porque nadie quiere un regaño de Chávez. ¿Me entiendes? Nadie quiere que diga...[Ríe].

No, it's not that they've lied to him, but, what is Chavez like? Chavez comes to Rang...uh, he...sees Rangel. First of all, they're dealing with a million and one issues, from all the issues Chavez generates [Laughs]. And secondly, he says, "Look, did you already take care of..." "Yes, I did, I already took care of that. That's..." You know it. But, it's just that, what are they gonna say? Well, because nobody wants a reprimand from Chavez. You understand me? Nobody wants him to say...[Laughs].

AA: Pues, entonces que te dejen...que te dejen trabajar a ti.

Well, they should let you...let you do your job.

MM: [Ríe].

[Laughs].

AA: Da...dame la plata, dame la vaina y, y, y, y...¡pum! Yo todo andando, sabes. Tú...tú...

Gi...give me the money, give me the stuff, and, and, and, and...pam! I'm all for it, you know. You...you...

MM: Pero, igualito...No te veas tentado ahorita de utilizar otro canal pa' que Chávez se entere que no está listo porque...si se entera que no está listo, va a llamar a Rangel y le va a pedir... le va a parar cuatro pe'os y a lo mejor le quita a Rangel la autoridad, pa' dársela...

But, the same...Don't be tempted right now to use another channel so Chavez can find out it's not ready because...if he finds out it's not ready, he's gonna call Rangel, he's gonna ask him...he's gonna light him up and he may take the authority from Rangel, to give it to...

AA: A Julio Rodríguez. Claro.

To Julio Rodriguez. Of course.

MM: ¡Ay! Y entonces con el otro va a ser el mismo pe'o del cero y sin Moisés.

Oh! So, it's going to be the same thing with the other one, 0 for two and no Moises.

AA: No, no...yo lo único que hice, pa' que tú veas, y de todas esas cartas que dijeron, acuérdate que ahí la que yo le mandé, por

No, no...the only thing I did, so you see, and regarding all of those letters they mentioned, remember that the one I sent, through the consul,

Mira, está con tinta de verdad, mira, agárrasela, y a mí me había tocado. Entonces, yo dije, "Nada, este...super agente 86 y yo, bueno..." mira, por...aunque sea, y se la agarré, aunque sea léela...
- ah, to, to the president. There's no other, and they've looked for a way...There's none, there's none. What's more, the guy who came, I mean, my friend, this is the original, I won't keep another one. Look, it's the original ink, look, take it, and I had it. Then, I said, "Naw, this...Super Agent 007 and I, well..." Look, for...even if, and I took it, at least read it...
- MM: Que maricos, ¿no? What assholes, right?
- AA: Bueno. Well.
- MM: Bueno, eso, eso te dice, de lo balurdo que son. Cuando tú me contaste a mí que estaba más nervioso que tú... Well, that, that tells you, howdumb they are. When you told me, I was more nervous than you...
- AA: Sí. Yes.
- MM: Yo llamé a Rangel Silva y le digo, "Rangel, ¿por qué hacen eso?" I called Rangel Silva and I said to him, "Rangel, why are you all doing this?"
- AA: Pero me estaba grabando, porque tenía una broma aquí, un aparato, y aquí, estaba como nervioso, o sea, por Dios, estoy seguro, pero no importa. But he was recording me because he had a thing there, a machine, and here, he was kind of nervous, I mean, I swear to God, I'm sure, but it doesn't matter.

- MM: No, pero lo, lo hubieras mandado pa'l carajo hace rato. No, but you would have told him to go to hell a while ago.
- AA: Porque...uhm, hum, vé mis opciones, yo no tengo otra opción. O sea, yo desgasté, por ser como soy, o sea, tú sabes que uno, uno se autocrítica. Yo he desgastado, yo he desgastado todas mis oportunidades. Cuando estaba la Kichner, me pidió...Diego me llamó, "Alejandro, por favor, Rafael no sé qué, no sé qué más..." - promete. [IA] Ahora no me agarra el teléfono como, como lo que tú me haces. Y yo entiendo, yo entiendo el, el rollo en Venezuela con los teléfonos, lo entiendo pero yo a veces digo, "okey, bueno, no importa, déjame calmarme...me voy a caminar, que, ¿tú sabes? O si no me da un infarto y ahí me llamará en una...no, no hay mensaje de ningún tipo." Sale algo más en la prensa. Me llama mi mamá que salió esto de un *blog*, o sea, tú sabes, tú dices, "no puede ser, ya."
- MM: ¿Tú mamá está en Caracas o está aquí?
- AA: No, está aquí mi mamá. Yo no tengo a nadie en Venezuela. O sea, mi mamá vive aquí y, este, [IA] norteamericana, sabes. Ella...ella ni...ella, ella esto le parece, bueno, te podrás imaginar lo que dice mi mamá y lo que dice mi hermana que es juez. "Tú...bajo...lo que sea, dices la verdad. Porque así, si tú pierdes todo, yo te doy la..." Yo, tú sabes, ella, ella está bien también. "Yo te doy una casa." Tú...o sea, o sea...yo tengo un doble standard, ¿me entiendes? Mi familia que quiere aquí, que quiere que yo diga lo que pasó, porque yo les conté lo que pasó. Por si me pasaba algo. Y yo decía, y, y, y, y nada, y si me muero, mis hijas no digan que mi papá era una mierda. Y yo entiendo que a veces, tú sabes, a veces eso ser Don Quijote no es, no te lleva más a ningún lado, porque el estigma éste quién me lo va a quitar por mucho tiempo. ¿Entendiste?
- MM: Pero, es que no estaba, no estaba en ti.
- AA: Correcto.
- And I understand, I understand the, the issues in Venezuela with the telephone but sometimes I say, "okay, alright, it doesn't matter, let me take a deep breath..." I'm going to take a walk, so, you know? In case I have a heart attack and maybe he'll call me in a...no, there's no message of any type." My mother calls to say that something came out in in a *blog*, I mean, you know, you say, "It's out of control."
- Is your mother here or in Caracas?
- No, my mother is here. I don't have anyone in Venezuela. I mean, my mother lives here and, uh, she's American, you know. She...she doesn't...she, she thinks this is, well, you can imagine what my mother says and what my sister, who's a judge, says. "You...under... whatever it is, tell the truth. Because that way, if you lose it all, I'll give you the..." I, you know, she, she is well off also. "I'll give you a house." You...I mean, I mean, I have a double standard, you know? My family here wants, they want me to tell what happened because I told them what happened. In case something happened to me. And I would say, and, and, and, and nothing, and if I die, my daughters won't say my father was a piece of shit. And I understand that sometimes, you know, sometimes, I mean, Don Quijote isn't, won't take you anywhere, because who's gonna take this stigma away from me anytime soon. You understand me?
- But, it wasn't, it wasn't in you.
- Correct.

- AA: Sí, pero, pero, tú entiendes. Yes, but, but, you know.
- MM: Hay gente, hay gente que sirve para ser malandra. Hay gente que sirve pa'capitalizar una vaina de estas y decir, "No me importa. Saco tanto..." There are people, there are people who are good at being lowlifes. There are people who stand to gain from this stuff and say, "It doesn't matter to me. I'll get this much out of it..."
- AA: Bueno, pues... Well, then...
- MM: Pero es que eso no lo puedes hacer. Yo tampoco lo puedo hacer. But, you can't do that. I can't do that either.
- AA: ...tú, tú sabes, sabes, sabes lo que me, lo que me dijo a mí, eh, alguien de, de...que vino a verme de, de Venezuela, que ya no está en el gobierno, que estuvo muy...con...muy fuerte, que pi...y no sabe, no, nada de esto sabía. [He] told me, "You have to ask for, for at least 20 million dollars." - AA: [Ruido nasal]. [Nasal noise]

- AA: [IA] Sí, bueno, pero no, ese no. No, ese no. Eh, a ese lo tienen todo jodido. [UI] Yes, but, but no, not that one. No, not that one. Uh, they've got that guy all screwed up.

I [UI] no kind of entrapment but I don't even want to see him, damn, because I'm, also...
- MM: [IA]... [IU]...
- AA: ...estoy asustado. ...I'm a little scared.
- MM: [IA] Van a decir que son del mismo club. [UI] they're going to say you're members of the same club.
- AA: Y yo también estoy asustado aquí porque yo no sé si, si, si, tú sabes, qué está pasando aquí en este país. O sea, porque, todo se calla tanto y me asusto, Moisés, ¿entiendes? And I'm also scared here because I don't know if, if, if you know, what's going on in this country. I mean, because, everything gets so quiet and I get scared, Moises, you understand?
- MM: No, mira, tú debes estar jurungado, pullado, vaina y ellos...y ellos deben saber, mira, no, éste eh, ésta es una víctima más. Ni...ni se van a mortificar... No, look, you're being messed up, poked around, this and they...and they should know, look, no, this uh, this is one more victim. They're...they're not even gonna worry about it...
- AA: Sí, pero...pero y...y...y no capitalizar. O sea, me parece como tan tonto. Yes, but...but and...and...and to not capitalize. I mean, it seems so stupid to me.
- MM: No, no. A lo mejor están a la expectativa...de que te transfiera PDVSA pa' poder tener que... Mientras no haya un *link* entre PDVSA, e...entre el interés de PDVSA... No, no. - AA: Venezolano. The Venezuelan [government].

- AA: [Se suena la nariz]. [He blows his nose].
- MM: Pa' tratar de no, de no generarlo. To try not to, not to generate it.
- AA: Bueno...pero me lo estás diciendo tú, Moisés. Y fijate tú, que menos mal que lo...lo estamos pensado así en, en voz alta. Pero eso...es lo que yo me levanté ayer y decidí, "Yo tengo que hacer algo", toda tranquilidad. Ellos no van a hacer eso, Moisés. O sea, ellos, lo que tú dices, ellos...ellos se les trancó la caja de velocidad y no saben como hacer. O sea, tienen que resolver el pe'o pero no saben, porque saben que si...si me dan la plata, al tipo tiene, pero si ellos no confían en mí, pues, si tú me dijeras, "Oye, aquí está el recibo, muchacho"...ellos resuelven el rollo, con mi plata... Well...but you're telling me that, Moises. And look, you, that at least we're thinking about it this way...we're thinking about it like this, out loud. But that's...that's what I decided yesterday when I woke up, "I have to do something," completely calm. They're not gonna do that, Moises. I mean, they, what you tell me, they...their gearbox jammed and they don't know what to do. I mean, they have to figure the shit out but they don't know, because they know that if...if they give me the money, the guy has, but if they don't trust me, well, if you told me, "Hey, here's this receipt, boy"...they'll resolve everything, with my money...

MM: ...es más, Franklin. Déjame decirte, me llama regularmente, una vez a la semana. ...what's more, Franklin. Let me tell you, he calls me on a regular basis, once a week.

AA: ¿De verdad? Really?

MM: De verdad. ¿Se resolvió el pe'o? ¿No se resolvió? Cuéntame. Coño, pero, ¿cuándo? Pero y... y lo peor es que yo no le doy detalles. Le digo, "No, pero estamos en camino", pero no le quiero decir...eh, no le he dicho nunca ni cuanto pediste ni como es el pe'o ni...absolutamente nada, porque yo sé que ellos tienen relaciones con Tarek y a mí me es... Really. Is the issue resolved? It wasn't resolved? Tell me. Damn it, but, when? But and...and the worst of it is that I don't give [him] details. I tell him, "No, but we're on our way," but I don't want to say to him...uh, I haven't even said how much you've asked for or how the thing is or...absolutely nothing, because I know that they have relationships with Tarek and for me that's...

AA: Pero, pa'que tú sepas...y a ti te consta...yo no, sabes, y, y la verdad es esta, coño, yo nunca he pedido, *brother*...ni siquiera pedí eso. But, so you know...and you know it's true...I don't, you know, and, and the truth is this, damn it, I've never asked for, *brother*...I didn't even ask for that.

MM: Yo sé, yo sé. I know, I know.

AA: Yo quería mi problema resuelto. Los que vinieron con el tema, yo, sí fué, fue la primera o la segunda reunión, fueron ustedes que me dijeron... I wanted my problem resolved. The ones who came forward with the issue, I, it was, was the first or second meeting, you all were the ones who told me...

MM: No, no fuí yo. Fue Franklin el que habló de [IA]. No, it wasn't me. It was Franklin who talked about [UI].

AA: Y lo único que a mí se me ofreció en Argentina fue...lo único que me ofreció PDVSA fue, que...y por eso salí corriendo...fue...que eso, eso, eso estaba, eh...al día siguiente no existía y que... y por eso te hago un cupo [IA] de carne de Argentina y una refinería. Cuando a mí me dijeron eso, yo dije, eso es mentira porque es como que, o sea por un...por un rollo de, de... porque te rompí el vaso...me vas a entregar un iPhone, o And the only thing that was offered to me in Argentina was...the only thing that PDVSA offered me was, to...and that's why I took off running...it was...that it, that, that was, uh...it didn't exist the following day and that...and that's why I will give you a quota [UI] of beef for you from Argentina and a refinery. When they told me that, I said, that's a lie because it's like, I mean, over a...over an issue that, that...because I broke the glass...you're gonna give me an iPhone, I mean...

- MM: Sí, sí, sí... Yes, yes, yes...
- AA: O sea...ese fue el *trigger*... I mean...that was the *trigger*...
- MM: Y eso te lo dijo Ángel ¿no? So Angel told you that, right?
- AA: Yo escuché a...a Raf...a Rafael Ramírez cuando lo dijo. No, no. Quien dijo de la carne fué, fué Claudio Uberti y quien dijo lo de la refinería, se lo dijo Marjorie y Marjorie me lo dijo, o sea, Marjorie estaba al lado del tipo. Yo no...yo, tu sabes, es mi palabra contra él pero yo la escuché, sabes. Yo, yo no tengo porque inventar, yo...pero eso fué, eso fué el *trigger* que a mí me dijo: Mira, me voy. Porque esto es mentira. O sea, a mí me van a...O sea, el chino de Recadi. Esto, eso...yo no sé o fué a propósito o se les empasteló este pe'o...o sea, yo no sé lo que pasaba. [Ruido nasal]...o sea, que pasó, Moisés, no lo sé. ¿Qué pasó? I heard...when Raf...when Rafael Ramirez he said it. No, no.The one who mentioned the beef was, was Claudio Uberti and the one who mentioned the refinery, he said it to Marjorie and Marjorie told me, I mean, Marjorie was right next to the guy. I didn't...I, you know, it's my word against his but I heard it, you know. I, there's no reason for me to make it up, I...but that was, that was the *trigger* which told me: Look, I'm leaving. Because this is a lie...So, what they'll do to me, I mean, the Chinaman from Recadi. This, that...I don't know or it was on purpose or this thing went to hell on them...I mean, I didn't know what was going on. [Nasal noise]...so, what happened, Moises, I don't know. What happened?
- MM: No, voy a hacer otra llamadita. Mientras esperamos por la de Rangel. No, I'm going to make another little phone call. While we wait for the one from Rangel.
- AA: ¿Cómo está el dolor de cabeza? How is the headache?
- MM: Cedió. Todavía está ahí latente pero... Coño, lo dejé en el carro. It has eased. It's still there, mildly but...Damn, I left it in the car.
- AA: [IA]. [UI]

AA: Con...Resuelto...resuelvo allá de...abajo.
MM: Pero continúa con lo de Argentina y continúa, que si tú me dices, "No me ha llegado la plata que me mandó Franklin", yo hago que los aprieten vía gobierno pa' que, pa' que la manden. No creo que Franklin vaya a aga...
AA: No.
MM: ...tú sabes. Yo no creo. Pero no, no porque él, no, no...o sea, no creo por una cuestión de lógica elemental. Son carajos...por...que...mucho más de eso...
AA: Por Dios. No, no, yo, yo...no...que...Mira. Nosotros fué...porque nunca sabe uno que hacer, mira. Nunca se esperaba que yo le dijera un día que no, pues. Se molestó y cuando me insultó, lo mandé muy lejos al coño de su madre, pues. O sea, eh...si tú, tú quieres que yo...o sea...tú sabes, ¿que me metan preso? Tú sabes, no.
MM: Pero fijate que él, lo único que él te estaba pidiendo...
AA: A mí Carlos...
MM: ...era que...
- Yes. Or convin...I'll convince Cristian or I'll convince Franklin and... they can orchestrate the transfer of the money over here. My responsibility ends...until now, my commitment with you is, in that sense, until the delivery of the money...to Cristian or to Franklin, if [he] accepts it. And it continues with...
With...Resolved...when it's resolved down...
But it goes on with Argentina and goes on so that, if you tell me, "I haven't received the money that Franklin sent me, " I'll make them apply the squeeze through the government so they, so they send it. I don't think that Franklin would get...
No.
...you know. I don't think so. But no, no, because he, no, no...I mean, I don't think so because it's a matter of basic logic. They're knuckleheads...be...cause...it's much more than that...
I swear! No, no, I, I...no...what...Look. For us it was...because you never know what to do, you see. He never thought that one day I'd say no to him, so. He was upset and when he insulted me, I promptly told him to fuck off. So, uh...if you, you want me to...I mean...you know, that they throw me in jail? You know, no way.

- AA: Pero no le voy a contar nada. But I'm not going to tell him anything.
- MM: Pero es que...por eso, yo no quiero...yo lo considero mi pana. ¿Sí? Y yo no quiero tener que decirle, "Mira, no es tu peo...cuánto le estamos dando, no es tu peo nada de eso". But it's just that...that's why, I don't want...I consider him my friend. Right? And I don't want to have to tell him, "Look, it's not your business...how much we're giving him, none of that is your business."
- AA: No, no, no, no, no...no. No, no, no, no, no...no.
- MM: ¿Me entiendes? No es tu peo. Entonces, pa' no decirle no es tu peo, como yo sé que me lo va a preguntar, él se la pasa llamándole a Juan. De hecho, él... You understand? It's not your business. Then, in order to not have to say it's not your business and since I know he's gonna ask me, he calls Juan constantly. As a matter of fact, he...
- AA: Porque él me llama preocupado y me dice, "¿Como estás, jefe?" Y a veces me va, y me agarra en los peores momentos. Cuando no es buen momento...a las siete de la noche. Porque yo sé que en Venezuela, yo sé que estoy echando vainas, estoy comiendo, estoy viajando. Cuando estoy en Estados Unidos, yo estoy con mis hijas. Cre...Mira. Tienes que preguntar porque... Yo cuando estoy aquí, yo llevo y recojo mis hijas al colegio. Pana...tú aquí, me hubieses conocido antes, tú cenas conmigo y si almorzamos, eres de, de tanta confianza, te digo, "Pana, para las dos vamos a buscar a mis hijas". ¿Entendiste? O sea, yo, el tiempo que no les dedicaba, porque estaba trabajando allá, ¿no? Aquí les daba todo, o sea, después las llevaba a la, o sea, el papá pendejo. Dos hembras que hacen conmigo lo que les da la gana. ¿Me entendiste? Yo pierdo eso, o sea, él me llama a la siete de la noche... yo estoy [IA]...y por colmo con el Internet, yo [IA] ningún email y lo, y sabes, o me llega mean...then it... Because he calls me, full of worry and he tells me, "How are you, boss?" And sometimes I go, and he gets me at the worst times. When it's not a good time...at seven at night. Because I know that in Venezuela, I know I'm doing stuff, I'm eating, I'm traveling. When I'm in the United States, I'm with my daughters. Bel...Look. You have to ask why...When I'm here, I drop off and pick up my daughters from school. Buddy...while you're here, had you met me before, you have dinner with me and, if we have lunch, you're, you're a close friend and I'll say, "Buddy, we'll go get my daughters at two." You understand? I mean, I, the time I didn't give them because I was working over there, right? Here, I would give them everything, I mean, afterwards I would take them to the, I mean, a devoted father. Two females who do whatever they want with me. You understand me. I lose that, I mean, and he calls me at seven at night...and I'm [UI]...and, to top it off with the Internet, I [UI] no email and it, and you know, or people come see me, look, look at this, and I get to looking at the *blogs* and I'm, I'm destroyed, I

gente, mira, mira esto, y me pongo a ver los *blogs* y me, me destruyo, o sea...entonces ya...

- MM: Pero ¿pa'qué te metes en esa vaina? But, why do you go into that thing?
- AA: Bueno, no sé, chamo, porque no sé... Well, I don't know, man, because, I don't know...
- MM: Está bien que veas la prensa pero en un *blog*, huevón...¿quién escribe en un *blog*? It's alright to look at the papers but a *blog*, dude?...Who writes in a blog?
- AA: Bueno, pero a veces...a veces es como pa' adivinar quien es. A ver quien será este coño de madre que con esta, con esta... Well, but sometimes...sometimes it's to like try to guess who it is. To see who this son of a bitch is with this, with this...
- MM: [Ríe]. [Laughs].
- AA: ...euforia, me quiere destruir sino yo no le he hecho mal a nadie. Yo lo que hice fué ayudar a gente. En mi vida de comerciante yo no, yo no puedo, yo, si no me traes una persona, una, que yo estafé, que dejé de pagarle. O sea, porque hay gente que siempre tuvo algún rollo, yo puedo tener un rollo de desacuerdo...pero, *I settled*, o sea, yo prefería a veces, que me vean la cara de huevón y después les daba el machetazo. Pero yo nunca fuí de los... yo nunca...o sea...

In my life as a businessman I don't, I can't, I, try to bring me one, one person who I stole from, who I didn't pay. I mean, because there were people who always had some sort of issue, I could have had an issue with a disagreement...but, *I settled*, I mean, I preferred sometimes to turn the other cheek and look like a fool and then I would come in for the kill. But I was never like those who...I mean...

AA: No, ¿como Frank? No, nunca lo fui. Y, y Fra...Frank siguió conmigo porque el hecho que tú seas así no es que eres débil. Y cuando él se dio cuenta que yo no...Porque yo, yo lo que yo he dicho, lo que les pasa a ellos, y lo que yo, en lo que, lo que, por ejemplo, las cosas malas que me han hecho, que yo me he enterado...el que le va a salvar los rollos soy yo, yo...porque yo co...lo considero un amigo. Pero a mí no me vas a meter esa vaina...la mitad de mis rollos son por la amistad de ellos. ¿Yo le gané algo de todas esas vainas que me hicieron en Venezuela? Nada. Por eso me extraña [IA] diciendo que tú [IA] negocios. Pero ¿cuáles negocios? La gente está equivocada. Ellos lo decían porque les conviene tener un tipo como yo, limpio, como socio, con plata. Yo, yo...tú estás equivocado, yo nunca ni, o sea, no vendí armas nunca en mi vida. Yo sí les hice un, un, de aquí les hice unos embarques... pa'ayudarlos, porque están enredadísimos. ¿Sabes cuánto les cobré? No me han pagado.

No, like Frank? No, I was never like that. And Fra...Frank continued on with me because the fact you're that way doesn't mean you're weak. And when he realized that I didn't...Because I, what I've said, what happens with them, and what I, in what, what, for example, the bad things they've done to me, that I've found out about...the ones who's gonna come in and make the save is me, me...because I co...I consider [him] a friend. But, you're not gonna get me in that shit...half of all of my problems are due to their friendship. Did I get anything out of all of the stuff they did to me in Venezuela? Not a thing. That's why I'm surprised [UI] telling me that you [UI] businesses. But, what businesses? The people are wrong. They were saying that because it was good for them to have a guy like me, clean, as a partner, with money. I, I...you are wrong, I never ev...I mean, no, I never sold weapons in my life. I did do them a, a, I did send off some shipments from here...to help them out, because they were in a real bind. Do you know how much I collected from them? They haven't paid me.

MM: ¿No te ha pagado? They haven't paid you?

AA: No, nunca, nunca...y nunca le cobré a Frank porque...chamo, porque, tú sabes que todos somos, así, pendejos. Frank sí. Es cumplidor, sí...pero sí le cobra y sí le dice que es lo que debe. ¿Venoco? [IA] porque Venoco [IA] falta una cosa. Pero, tú me dejes... ¿Yo hice un negocio? No, vale. Yo...ellos hicieron negocio conmigo. O sea, yo, ¿los metí en mi negocio? Ellos ganaron dinero. O sea, que yo te pueda decir que yo me metí en negocios con

No, never, never...and I never charged Frank because...buddy, because, you know we're all, like that, stupid. Frank is. He does come through, yes...but he will attempt to collect and he will advise as to what is owed. Venoco? [UI] because Venoco [UI] is missing something. But, you leave me...I made a business deal? No, man. I...they made a business deal with me. I mean, I, I brought them into my business. They made money. I mean, could I tell you I went into business with them, no. The wrong people, no,

ellos, no. La gente equivocada, no, ¿dónde está? O sea, y usaron mi nombre pa'meter mi, o sea, la mitad de esas empresas que aparecen aquí, yo no sabía que estaba.

where are they? I mean, they used my name to get me into, I mean, half of those businesses that appear as such, I didn't even know were so.

MM: [RÍE].

[LAUGHS]

AA: O sea, si yo fuese una mierda, yo los demando contra esa vaina. Entonces, y eso es lo que me da...Si yo le pedí al día siguiente que pasó esto, "Frank, sácame de las empresas..." "Pero te vas a dañar." Pero cuando yo regresé a Miami, yo decía, pero, él nunca me dijo...Yo sabía de dos. La de los aviones porque necesitaba un americano que estuviera en, en el avión, en la broma de *November*, pero yo no sabía las demás. No sabía, Moisés. Entonces, Frank, con la cosa que me dijo, "No, es que tú eres mi único heredero. Si yo me moría, tú destruías mi bi...mi bien." Coño, es de pinga, pero él no me lo dice. O sea, pa' que venga todos tus hermanos de allá, tenga un peo conmigo y eso que yo no lo, o sea, eh, o sea...Eso se habla, hermano, eso se habla. "No, que yo, yo soy diferente que tú." Yo no soy así, Moisés, o sea...O sea, yo nunca hice con ellos, sabes, yo lo que tengo, lo [IA]. Yo te puedo decir que yo me vine aquí en el noventa y uno, con equis cantidad de di, dinero. Y yo lo he mantenido, y yo soy el...el único que a lo mejor, no, no lo he duplicado pero he logrado. O sea, yo vine con plata, ah, con algo. No, no soy millonario. Pero vine, o sea yo, vine. Y no sé, vale, siempre son tipos son muy solos, son de una familia muy, si, uhm, nada, yo considero a los amigos, pues. Entonces, Carlos vino con él...y Carlos fué el que...sí te puedo decir,

I mean, if I was that shit, I'd sue them for that thing. Then, and that's what makes me...The day after this happened, I asked the day after this happened, "Frank, take me out of those businesses..." "But, you're gonna get hurt." But when I got back to Miami, I said, but, he never told me...I knew about two of them. The one with the airplanes because they needed an American who would be on, on the plane, in on the *November* joke, but I didn't know of the others. I didn't know, Moises. Then, Frank, with the thing he told me, "No, it's just that you are my only heir. If I were to die, you would destroy my...my name." Damn, it's shit but he's telling me. So, so all his brothers can not come from over there, have some problem with me and taking into consideration that I didn't, I mean, uh, so...You talk it over, man, you talk it over. "No, that I, I'm different from you." I'm not that way, Moises, I mean...So, I never did anything with them, you know, what I've, I've [UI]. I can tell you that I got here in ninety-one, with a certain amount of mo, money. And I've kept it up, and I'm the...the only one who maybe, no, no, I haven't doubled it but I've achieved. In other words, I came with money, uh, with some. I'm not, I'm not a millionaire. But I came, I mean I, came. And I don't know, then, they are always solitary type guys, they come from a family which is very, if, uhm, naw, I think of my friend, you know. Then, Carlos came with him...and Carlos was the one who...if I can tell you, Carlos and I understand him, so you can see. I understand that everything was...for him to get so upset.

- Carlos, y lo entiendo, pa'que tú veas. Todo lo que entiendo que...que se haya puesto tan bravo. A Carlos... entiendo que se...se quiso...Pero coño, por Dios, si usted, si yo estoy metido en este peo por ustedes...y si yo pudiera tener un rollo en Estados Unidos por ellos, o sea, no...¿qué hago yo? Por que ellos siguen, eh, quien sabe, o sea, no sé, *brother*, porque, hasta cuando las cosas están muy delicadas yo [IA] estaba hablando contigo vainas que yo, y creeme, a mí no tienes que ni siquiera, Gordo, no, no...O sea, yo, en, o sea, yo era muy inteligente, hm...Pana, te voy a decir algo, porque él no quería...O sea, yo soy, eh, ¿entendiste? No...no...no se me escapa que me metan, no, vale, nunca. Ellos sí. Pero, igual. Tú tienes que tener los amigos igualito, corazón.
- MM: Sí, sí, sí, es así, es así.
- AA: Porque la gente no habla porque en el...en el Gumball pasado yo no me vi en la mitad de la...el Gumball.
- MM: Es así.
- AA: Porque me, porque yo no...no terminé el Gumball.
- MM: No terminaste qué, ¿perdón?
- AA: El Gumball, la carrera de carros.
- MM: Ajá.
- AA: Yo, yo...porque yo no terminé el Gumball.
- Carlos...I understand he...he wanted...But, shit, if you, I'm in this mess because of all of you...and if I could have some sort of role in the United States because of them, I mean, no...what do I do? Because they are still, uh, who knows, I mean, I don't know, brother because, even when things are very sensitive I [UI] I was discussing things with you that I, believe me, you don't even have to, Gordo, no, no...I mean, I, in, so, I was very intelligent, hm...my friend, I'm gonna tell you something, because he didn't want to...So, I'm, uh, do you understand? No...no...I can't forget that, they put me in it, no, you know, ever. They do. But, anyway. Your friends must be the same exact way, my dear.

- Because people don't talk about it, at the...at the last Gumball I wasn't in the middle of the...the Gumball.
- That's right.
- Because it, because I don't, I ended up not completing the Gumball.

- AA: Yo me vine antes del coñazo. ¿Porqué? Yo había peleado con ellos. [IA] Y, y...y no por nada. No peleé porque...eso, eso yo no confronto. ¿Sabes lo que dije? Porque tengo...tengo un compromiso en mi casa. Porque estaba era arrecho. Y, y no porque me...nada, por dinero. I left before the big hit. Why? I had an argument with them. [UI]. And, and...and not for anything. I didn't fight because...that, I'm not confrontational. Do you know what I said? Because I have...I have a commitment in my home. Because this was very hard. And not because I...just for money.
- MM: Yo te entiendo, yo te entiendo. I understand you, I understand you.
- AA: No, no, no... No, no, no...
- MM: Yo, yo te entiendo. Mira, mi compadre, mi amigo, mi, eh...es...es Juan. Y en, y muchas veces, en la forma de, de actuar, vamos [IA]. I, I understand you. Look, my buddy, my friend, my, uh...is...is Juan. And in, and more often than not, in the way that, that we behave, you know [UI].
- AA: Y...y...y...y de querer agarrar las vainas así. ¿Qué vaina es, *brother*? La plata solo no sirve de nada. Igual...ahorita, ¿de qué me sirve todo? O sea, te...en papel, en cheque, no puedo hacer nada, mi familia por allá, o sea, eh...¿Porqué? Por querer ir a buscar un poquito más, porque lógico, hay una oportunidad en PDVSA. Yo ya tenía mi negocio y mi negocio es perfecto. De pendejo que quería un...Entonces, me la pasaba un poquito más en Venezuela. Yo mismo, yo...o sea, o sea, yo me busqué. Claro, tú estás corriendo en el carro, ¿te has dado coñazos? Eh, yo me busqué ese coñazo. Porque yo no tenía porque estar allá. Ese día no tenía porque estar allá. And...and...and...and to want to handle things that way. What's the deal, *brother*? Money alone is worth nothing. The same thing...right now. What is all of this worth to me? I mean, I...on paper, on checks, I can't do anything, my family is over there, so...why? For wanting to go look for a little bit more because, logically, there is an opportunity in PDVSA. Of course, you're running in the car, have you been giving yourself some hard blows? Because I went looking for that blow. Because I had no business being over there. That day, I had no business being over there.

- AA: Mira, más de unos balancines que tienen ellos, los vendí yo. Y...todo con gente de la PDVSA, [IA] que yo conozco, porque yo tuve transporte. Entonces, Frank, que ahora tiene contratos de PDVSA por mí, mano. O sea, fueron los de abajo. Ellos lograron arriba porque, lógico...tú sabes. Llegas y tienes todo...lo...todo, todo el...t...eh, eh, estructura, avión, vainas, tú...llegas. Pero, la gente que lo mueve, que tú sabes que es...ehh, la del medio. Porque esa gente que me recibía a mí, o sea, es la gente que...que...que antes eran directores de...vainas en, en, tú sabes, en, en Puerto Ordaz, y fueron...y...y siempre lo [IA] igualito. Sí, y, y, y...y no un bien, ellos son todavía que me dicen, me cuentan lo que está pasando. Me llaman y dice, "Coño, pana, o sea, cuidado...y es un...no creas que esto es [IA] Ellos mismos me han dicho, "Mira, aquí, te tienen culillo." Ellos ya están asustados que me llaman...buscan un teléfono público para llamarme de afuera. Todos me echan los cuentos. Ve a Ramirez. Yo sé lo que hace Ramirez hasta en el día, con quién está andando. Porque están tan arrechos, no lo pueden, no lo pueden ni creer. Porque esto, ellos saben como es, qué es lo que pasó.
- Look, I've sold them more than a few of the drilling equipment they have. And...everything with people from PDVSA, [UI] that I know, because I had transportation. So, Frank, who now has PDVSA contracts because of me, man. So, it was the ones from down there. They were able to make it up there because, logically...you know. You get there and you have everything...the...everything, everything the...t...uh, uh, structure airplane, stuff, you...arrive. But, the people who move it, you know, who are...uh, in that group. Because, the people who would accept me, I mean, it's the same people who...who, who used to be directors of...stuff in, in, you know, in, in Puerto Ordaz and, they went...and...and they always [UI] the very same. Yeah, and, and, and...and not a good one, they're still telling me, they tell me what's going on. They call me and tell me, "Damn, my friend, I mean, be careful...and it's a...don't think that this is [UI] They've told me themselves, "Look, they have you here, asshole." They're scared so they call me...they look for a public telephone to call me from the outside. They all tell me their stories. Look at Ramirez. I know what Ramirez is up to all day long, even who he's with. And because they're in such bad shape, they can't, they can't even believe it. Because this is, they know how this is, what it is that happened.
- MM: Y, ¿porqué esa reacción? Esa reacción de Rafael se origina... And, why that reaction? That reaction from Rafael came from...

So...it's business, nothing illegal. Uh, but for me this is...at this point...I'm still managing this case and I haven't given anyone their walking papers, in the past, because of you, Alejandro. I swear. I swear, because I know...

AA: Gracias, [IA].
Thanks, [UI].

MM: ...porque sé que se estaría haciendo una enorme injusticia, este, y tú, y te vas a joder. Porque el...porque cualquier cosa que tú vayas a hacer...en, aquí, o sea, cualquier...si el gobierno venezolano te falla. En lo que yo tenga la primera señal de que no van a cumplir, te lo voy a decir yo. Y tú vas a hacer lo que tengas que hacer con esa información. Pero yo te lo voy a decir de primerito. Pero, lo que vayas a hacer...es como que descubrieras a tú mujer montándote cacho y te cortaras las bolas pa' joderla. Pues, ¿entiendes? Eso no conviene. Conviene que sigan saliendo las cosas en PDVSA, que siga marchando la otra vaina, que nunca tengas una averiguación penal en tu tierra, pana. Porqué tú naciste allá.
...because I know a great injustice would be done, uh, and you and you're gonna get screwed. Because the...because anything that you'd be willing to do...in, here, I mean, any...if the Venezuelan government fails you. As soon as I see they're not gonna come through, I'm gonna tell you. And you're gonna do whatever you have to do with that information. But I'm gonna tell you first. But, whatever you do...it's like you walking in on your wife while she's screwing another guy and you cut your balls off in order to spite her. Well, you understand? That's not convenient. What's convenient is for things to continue to come out in PDVSA, that the other thing continue, that you never have a legal investigation opened on you in your country, man. Because you were born there.

MM: ¿Me entiendes?
Do you understand me?

AA: Estamos claros.
We are clear.

- AA: Pero a veces me preocupa porque a veces me, me pareciera...que no les interesa. O sea, que de verdad...
- MM: Bueno, pero es que yo te voy a decir cual es el gran pe'o. Así como tú estás entregado por este lado...Rafael Ramírez está entregado por el otro.
- AA: ¿Ya?
- MM: Absolutamente. Rafael Ramírez todas las veces dice, "Bueno, lo malo que a mí me tenía que pasar con esa mierda ya me pasó." O sea, el pe'o con Chávez. El...la reprimenda, la...Si mañana tú...salieras a la calle a decir cualquier vaina, que...Chávez no lo va a volver a llamar pa' insultarlo.

- But sometimes I worry because sometimes it, it seems to me...they don't care. I mean, the truth is...
- Well, I'm going to tell you what the big deal is. In the same way that you're committed on this end...Rafael Ramirez is committed on the other end.
- Yeah?
- Absolutely. Rafael Ramirez always says, "Well, the shit that had to happen to me with that thing has already happened to me." I mean, the thing with Chavez. The...the reprimand, the...If tomorrow you...went out on the street to say whatever, what...Chavez isn't gonna call him again and insult him.

Y le dijo a Ramírez delante de Rangel, "El que se va a encargar de este peo es él". To remove Ramirez. Chavez knows that you slipped through Ramirez' hands. He knows it. - MM: ¿Entiendes? Entonces todas las consecuencias negativas que tú significaste pa' Rafael, él ya las sufrió. Y por eso es la arrechera que él tiene...adicionalmente, me imagino con Franklin y con...y con Carlos. Do you understand? So, all of the negative consequences that you represented for Rafael, he's already been through them. - MM: Porque ellos, él sien...sentirá que, ellos fueron los que te pusieron con él, pues. Y como que no controlaron a su loco. Because they, he fee...will feel that, they were the ones who put you in contact with him, then. And it's like they weren't able to control their lunatic.
- AA: Ya. Right.
- MM: Y la arrechera que tenían con Diego que, bueno, ya la pagó, ¿no? ¿Tú entiendes? Pero eso es lo...porque si el que estuviera cagado sería Rafael, lo otro hubiera sido [IA]. MM: Yo estoy siendo franco... I'm being honest.

AA: Yo sé, yo lo sé. I know, I know it.

MM: No, no, en el cumpleaños de...fue Rodríguez. No, no, at the birthday party for...Rodriguez was there.

AA: Okey. Okay.

MM: Y estaba Rafael ahí. ¿Tú sabes lo que me ha preguntado a mí Rafael *face to face*? And Rafael was there. Do you know what Rafael asked me *face to face*?

AA: No. No.

MM: ¿No? No?

AA: No. No.

MM: “¿Tú de verdad te sentaste con él? Así frente a frente, así como estamos tú y yo?” Le digo, “Sí”. Pero, tú puedes creer que todavía me lo pregunta. “Did you really sit down with him? Like this, face to face, like we are sitting here, you and I?” And I told him, “Yes.” But, can you believe that he still asks me that.

AA: Toma una foto. Take a picture.

MM: [Rí]. ¿Entiendes? Me lo preguntó. Bueno, la verdad sea dicha. Se lo preguntó a Juan, "¿Tú de verdad te sentaste?" Y Juan le dijo, "Sí". Y tam...y, pero el que más ha hablado con él es él. - MM: Con Alejandro. O sea, y me volvió a decir así pero frente a frente, o sea. No sé, a lo mejor pensará que...que, que no es verdad, que sí es verdad, yo no sé, no sé, huevón. No sé porqué pregunta eso. Y me preguntó, “¿Y firmó?” Le digo, “No, pero ya está listo, lo que pasa es que el, estaba...” Porqué también a mí me dan instrucciones que yo no diga un coño de nada. Entonces, yo no sé si digo algo y a lo mejor Rangel ya le dijo delante de él a Chávez que había resuelto la vaina y después dicen que no, ¿entiendes?
- AA: Ese es...es...Pero eso es lo que me asusta de mí...de...de nuestra Venezuela. Que como todo el mundo quiere figurar entonces, a lo mejor si le dicen al tipo, el tipo tiene la forma de mandar la plata y la manda ¡rá! Y yo dijera, “Bueno, si me quieren ayudar”.
- MM: No, no, no, porqué a él ya le dijeron. Que tú, que el, que el pe'o estaba resuelto. Ah, pero éste me dijo ahorita también, “Y dile que ya hablé con el, el director principal de la clínica y todo el mundo está muy contento de la vaina”. Eso me dice Ángel.
- AA: ¿Quién? Rafael Ramírez.
- MM: Eh, bueno, el director de la clínica.
- AA: Ah, de la [IA] Y, y, ¿la medicina, qué es lo que es? ¿La plata?
- MM: La plata es la medicina.
- AA: [Ríe].
- With Alejandro. So, and he told me that again but face to face, so. I don't know, he may think that...that, that it's not true, that if it's true, I don't know, I don't know, man. I don't know why he asks that. And [he] asked me, And “Did he sign?” I told him, “No, but he's ready but what happened was that he, was...” Because I'm also getting instructions to not say a damn thing. Then, I don't know if I say something and perhaps Rangel has already told him in front of Chavez that he had resolved the issue and then they'll say no, you understand?
- That's...it's...But that's what scares me about my...of...about our Venezuela. That, since everyone wants to make a name for themselves, then maybe if they tell the guy, the guy has some way to send the money and will send it bang! And I'd say, “Alright, if they want to help me.”
- No, no, no because they already told him. That you, that the, that the issue was resolved. Oh, but this one also told me right now, “And tell him I already spoke with the, the principal director of the clinic and everyone is very happy with the whole thing.” That's what Angel tells me.
- Who? Rafael Ramirez.
- Uh, well, the director of the clinic.
- Oh, of the [UI] And, and the medicine, what's that? The money?
- The money is the medicine.

- MM: Y es...y es todo pausado, todo calladito, todo...¿Ah? And it's...and he is methodical, quiet, everything...Huh?
- AA: Bueno, como cuando, eh, como dicen los viejos, “Dios, líbrame del agua mansa que de la brava me libro yo”. Well, like when uh, like they old guys say, “God, still waters run deep.”
- MM: [Ríe]. Sí, sí. Déjame hacer pipí. ¿Dónde está el baño aquí? [Laughs]. Yeah, yeah. Let me go to the bathroom. Where is the bathroom here?
- AA: Eh, coño. ¡Allá! Oh, shit. Over there!
- MM: Y nos vamos. And we'll take off.
- AA: Sí. Yeah.
- MM: Ah, vamos a llamar a este carajo. Ya yo se me olvidó. Ya me iba a despedir sin llamar otra vez a Rangel. Ya pasó media hora, huevón. [Pausa]. [IA] cosa cómica. Perdón, cómico no, el... [IA]. [Pausa breve] [Brief pause].

AA: Pero, ¿gana el "SÍ", o pierde el "SÍ"? Es jodido decirlo. But, will the "YES" win or lose? It's hard to say.

"NO" wins.

No, that "SI" wins.

Oh, oh, of course, so that when I get in, I'm on *forever*..
